**COMMUNITY CORRECTIONS:  
21<sup>ST</sup> CENTURY & BEYOND**

MACCAC ANNUAL CONFERENCE  
SEPTEMBER 26 - 28, 2018  
GRAND VIEW LODGE, NISSWA

**CONFERENCE PROGRAM  
& EXHIBITOR GUIDE**

# Keeping OUR Communities Safe One Driver at a Time!

**DWI Solutions** is your driver's license reinstatement expert helping individuals with the confusing and time-consuming reinstatement process so they're driving **LEGALLY** to meet everyday obligations.

- ✓ Driver's License Reinstatement Review, Form(s) Completion and Submission, and Reinstatement Monitoring
- ✓ Ignition Interlock and Cancelled-IPS Rehabilitation Programs
- ✓ Out-of-State Reinstatements

## Client Testimonial

***"Grateful beyond belief..."***

*"I am grateful beyond belief. I never told a single person why I wasn't driving. Not a single person! Julie's voice over the phone gave me hope. Her kindness was palpable. I cannot begin to tell you what her help has done for my outlook on life."*

— Cindy

***A Veteran-Owned Company Proud to Serve You!***

# WELCOME!

It is my privilege to welcome all of you to the 2018 MACCAC Annual Conference! This year's theme is "Community Corrections 21st Century and Beyond." Our keynote speaker, Joe Russo, will discuss what an effective community supervision system looks like and he will share emerging technology innovations that can facilitate behavioral change and improve efficiencies. As we continue to follow evidence-based practices, the conference workshops will highlight innovative approaches in community supervision around the state.

This conference provides an outstanding opportunity for Community Corrections Leaders, Advisory Board Members, County Commissioners and Justice Partners to gather and discuss the important next steps in continuing to advance effective community supervision in Minnesota.

We want to thank all of our vendors for helping make the conference a success! Please take time to talk with them to learn about their services. They are an integral part of our work in Community Corrections to effect behavior change.

## THANK YOU AND ENJOY THE CONFERENCE!

Becky Bales Cramlet, Stearns County Community Corrections  
*2018 MACCAC President*

## 2018 MACCAC CONFERENCE COMMITTEE

Kay Arola, Director, Arrowhead Regional Corrections

Becky Bales Cramlet, Director, Stearns County Community Corrections

# THURSDAY, SEPTEMBER 27

**7:30 – 8:30 A.M.**

## **BREAKFAST**

*Main Lodge, Heritage Room*

**8:00 A.M. – 3:00 P.M.**

## **VENDOR EXHIBITS OPEN**

*Gull Lake Center, Lobby*

**8:30 - 8:45 A.M.**

## **WELCOME**

*Gull Lake Center, Grand Ballroom A*

**Brian Kopperud, MACCAC President, Dakota County**

**Commissioner Tom Roy, MN Department of Corrections**

**8:45 – 9:45 A.M.**

## **GENERAL SESSION: ENVISIONING AN ALTERNATIVE FUTURE FOR COMMUNITY CORRECTIONS**

*Gull Lake Center, Grand Ballroom A*

Many would argue that the criminal justice system is simply not producing the results that society expects. For example, despite significant efforts and investment, recidivism rates remain stubbornly high. That said, what needs to change in order to achieve better outcomes? If the criminal justice system could be re-designed, how could it be more effective? What should probation and parole look like in an ideal future? These were some of the questions posed to a panel of experts in the field as part of a study conducted by the RAND Corporation in partnership with the University of Denver. This session will present the key findings of the expert panel which was given carte blanche to re-conceptualize a corrections system from the ground up.

**Presenter:** Joe Russo, National Law Enforcement & Corrections Technology Center

**9:45 – 10:00 A.M.**

## **VENDOR BREAK**

*Gull Lake Center, Lobby*

**10:00 – 10:45 A.M.**

## **GENERAL SESSION: LEVERAGING TECHNOLOGY TO ENHANCE COMMUNITY SUPERVISION**

*Gull Lake Center, Grand Ballroom A*

From the time of John Augustus, the Father of Probation, community corrections has always been about human relationships. While personal interactions are critically important, technology can be leveraged in a variety of ways to support better outcomes. This session will focus on emerging technology innovations that can facilitate behavioral change, increase accountability, and improve efficiencies.

**Presenter:** Joe Russo, National Law Enforcement & Corrections Technology Center

**10:45 – 11:00 A.M.**

## **VENDOR BREAK**

*Gull Lake Center, Lobby*

# MINNESOTA MONITORING

---

HOME MONITORING • DRUG & ALCOHOL TESTING  
• INVESTIGATIVE SERVICES

Minnesota Monitoring offers many supervision options:

- Electronic Monitoring
- Drug Testing Programs
- DNA Testing
- Background Checks
- Investigative Services
- And much more!

**Whatever the need, we can help!**

1-888-875-3486 - [monitor@mnmonitoring.com](mailto:monitor@mnmonitoring.com)

## 11:00 A.M. – NOON

## CONCURRENT SESSIONS

### Smartphone Applications for Community Supervision

*Gull Lake Center, Grand Ballroom A*

Overview on the latest technology that leverages smartphones to enhance community supervision.

Presenter: Joe Russo, National Law Enforcement & Corrections Technology Center

### Current and Future CSTS Initiatives to support Community Supervision Efforts

*Lake Itasca*

The Corrections User Group and its member agencies are using CSTS and related products in many ways to support their community-based supervision efforts. This session will discuss several of these initiatives including: the transition of CSTS to a web-based application and the opportunities it provides, mobile device software for agents, the integration of juvenile detention software into CSTS, the development of evidence-based practice CSTS Case Plan software, data integrations with other CSTS agencies, criminal justice partners, and providers, new data driven assessment software, web-based applications that are used by offenders, and automated offender communications.

Presenter: Carl Thelen, Strategic Technologies, Inc.

### Self-care for Corrections Staff

*Lake Margaret*

Building on the statewide training on trauma and stress management staff, Ramsey County created a Secondary Trauma committee. Ms. Moryn and Ms. Galvan will present the work of the committee including the trainings offered, give an overview of the trauma and stress management training, the creation of a peer support team, and the feedback of staff.

Presenters: Michelle Moryn, Ramsey County Juvenile Detention Center  
Yolanda Galvan, Ramsey County Adult Probation

## NOON – 12:15 P.M.

## VENDOR BREAK

*Gull Lake Center, Lobby*

## 12:15 – 1:15 P.M.

## LUNCH & AWARDS

*Gull Lake Center, Grand Ballroom B*

## 1:15 – 2:30 P.M.

## GENERAL SESSION: A RURAL PRIMARY CARE CLINIC'S SUCCESSFUL RESPONSE TO THE OPIOID EPIDEMIC

*Gull Lake Center, Grand Ballroom A*

The Morrison County Drug Task Force and the CHI St. Gabriel's Family Medical Center's Controlled Substance Care Team work collaboratively to reduce narcotics in our community. We use a team-based non-punitive approach to evaluate each patient on chronic narcotics in our clinic and work to taper medications to safer doses for those truly needing the medication, taper off or stop those whom are abusing or diverting their medications, and monitor each patient and prescription. We work closely with community organizations and law enforcement to gain additional insight into our patients in efforts to keep our community safe and healthy. Our comprehensive program addresses the needs of addicted individuals both in our clinic and soon in our community jail.

Presenters: Dr. Kurt DeVine  
Dr. Heather Bell

## **MACCAC Bocce Ball Tournament Rules**

Teams consist of four players and each player throws one ball.

**Object:** The object of the game is for one team to get as many of their balls closer to the "object ball" or "pallina" than the opposing team's closest ball.

**Play the Game:** The team who originally tosses the pallina, throws the first bocce ball. Teams alternate throwing until all balls are played. The team who scored last, throws the pallina to begin the next frame. While the object is to get close to the pallina, it is permissible for a player to roll his/her ball as to knock an opponent's ball away from the pallina. Likewise, a player may knock or move the pallina toward his/her own team's balls. The winning team will toss the pallina to start the next game.

**Scoring:** Only the "inside" team scores; one point is given for each ball of the inside team that is closer to the pallina than any ball of the opposing team. (Thus, a team may score up to four points.) If at the end of any frame the closest ball of each team is equidistant from the pallina, the frame ends in a tie and no points are awarded to either team. The game will resume from the opposite end of the field of play with the same team tossing the pallina. Each team is responsible for keeping the score sheet and for reporting the result. The games are timed and the team with the most points at the time of the whistle wins that game. Total points at the end of all games will be added if needed due to ties.

**Measurements:** All measurements should be made from the inside dimensions of the bocce ball to the inside dimension of the pallina. String is provided for measurements.

**2:30 – 2:45 P.M.**

**VENDOR BREAK**

*Gull Lake Center, Lobby*

**2:45 – 4:00 P.M.**

**HENNEPIN COUNTY ASSESSMENT MANAGEMENT TOOL OVERVIEW**

*Gull Lake Center, Grand Ballroom A*

Hennepin County has been in production with the new Assessment Management Tool (AMT) software for the past eight months. This software was included with the CSTS version 3.6 release package for all CSTS agencies if they wish to implement it. This new web-based software allows agencies to author, complete, and locally store all of their assessment data within a single application that is integrated with CSTS. It also can be configured to receive daily downloads of LS/CMI and YLS data stored by MNDOC. Hennepin County staff will demonstrate the software, review the Assessments they are using, discuss their implementation process and new workflows, and review the software's benefit to probation officers, supervisors, and policy makers.

**Presenters:** Danette Buskovich, Program Manager of Policy Planning and Evaluation  
Bret Wiski, Division Manager of Information Technology, Hennepin County  
Department of Community Corrections and Rehabilitation

**COUNTY COMMISSIONER ROUNDTABLE**

*Lake Itasca*

This session is an opportunity for an informal exchange of ideas and information among county commissioners who are responsible for the governing aspects of their community corrections departments.

**CORRECTIONS ADVISORY BOARD ROUNDTABLE**

*Lake Margaret*

While the Community Corrections Act requires each jurisdiction to have a Citizen Advisory Board, the activities of such boards vary greatly. This session will give individuals involved with advisory boards an opportunity to compare activities and discuss correctional topics of community interest.

**4:00 P.M.**

**BREAK**

**4:30 P.M.**

**BOCCE BALL TOURNAMENT**

*Lakeside*

**6:00 P.M.**

**BBQ AT THE BEACH**

*Beach Pavilion*

# FRIDAY, SEPTEMBER 28

**7:30 – 8:30 A.M.**

## **BREAKFAST**

*Main Lodge, Heritage Room*

**8:00 – 10:30 A.M.**

## **VENDOR EXHIBITS OPEN**

*Gull Lake Center, Lobby*

**8:30 – 9:45 A.M.**

## **GENERAL SESSION: DOSAGE PROBATION**

*Gull Lake Center, Ballroom A*

Dosage Probation is a new initiative from the National Institute of Corrections. This supervision model uses a client's internal motivation to engage in risk reduction programming. The client is able to earn an early discharge from probation once they complete their assessed hours of programming. You will hear an overview of the model and intervention with the client. The presentation will include program impact to date, initial results, and close with what is in store for the future.

Presenters: Terry Thomas, Deputy Director, Washington County Community Corrections  
Ren Clinton, Division Manager, Washington County Community Corrections

**9:45 – 10:15 A.M.**

## **BREAK**

**10:15 – 11:30 A.M.**

## **GENERAL SESSION: MENTAL HEALTH INITIATIVES PANEL PRESENTATION**

*Gull Lake Center, Grand Ballroom A*

Ramsey County and Dakota County will each highlight innovative programs to improve services for clients facing mental health concerns. The session will end with Q and A.

Presenters: Anna Hewitt, Mental Health Supervisor, Ramsey County  
Angela Lockhart, Integrated Service Delivery Coordinator, Dakota County

**11:30 A.M.**

## **DRAWINGS LUNCH ADJOURN**

*Gull Lake Center, Grand Ballroom B*

**TO-GO BOXED LUNCHES AVAILABLE**

# MACCAC ANNUAL AWARDS

## Jack Young Excellence in Corrections Award

The Jack Young Award is awarded to individuals who have furthered the mission of community corrections having made outstanding contributions to the development of and improvement of community corrections in Minnesota. It may be awarded for a single effort or long term contributions.

1989	Jack G. Young, Ramsey County
1990	Sen. Don Samuelson
1990	Richard Fritzke, Anoka County
1991	Daniel M. Cain, Hennepin County
1994	Judge Kevin Burke, Fourth Judicial District
1996	Rep. Mary Murphy
1998	Dave Gustafson, Arrowhead Region
1999	Pat Conley, Association of Minnesota Counties
2000	Rep. David Bishop
2001	Russ Reetz, Washington County
2002	Susan Mills, Red Lake/Polk/Norman
2002	Jan I. Smaby, Hennepin County
2003	Jerry Soma, Anoka County
2004	Mark Sizer, Stearns County
2005	Ron Wiborg, Hennepin County
2008	Kenneth Schoen
2010	Tom Adkins, Washington County
2011	Don Ilse, Anoka County
2012	Carol Roberts, Ramsey County
2013	Midge Christianson, 6W Community Corrections
2014	Don Basche, Rock/Nobles Community Corrections
2015	Kathy Trihey, Arrowhead Region
2016	Jon Ramlo, Rock/Nobles Community Corrections

## Community Corrections Special Recognition Award

1991	Dorothy Callahan
1994	Steven R. Borud
1994	Ron Wiborg, Hennepin County
2000	Amy Caucutt, Dodge/Fillmore/Olmsted

## Board of Directors' Award

The Board of Directors award recognizes exemplary individuals, program, or projects that serve to advance the knowledge, effectiveness, and integrity of the criminal justice system. MACCAC seeks to recognize visionary individuals and/or organizations that have exemplified the management and innovative skills necessary to lead community corrections forward.

2003	Jane Johncox, Dakota County
2004	Marilynn Tiede, Kandiyohi County
2005	Dave Johnson, Minnesota Department of Corrections
2006	Todd Benjamin, Anoka County
2007	John Tuma, MICA
2008	Prairie Lakes Youth Programs Andy Doom, Minnesota Department of Corrections
2010	Kitty Murdock, Hennepin County
2012	Sandra Hahn, Washington County
2013	Hennepin County EBP Resources Team Barb McGinnis, Washington County
2014	Ramsey County Effective Supervision Practices Team
2015	J Hancuch, Sherburne County Patricia Mullen, Hennepin County
2016	Ryan Erdmann, MACCAC Director
2017	Corey Mabis, Sherburne County and Mindy Herring, Hennepin County

It is the fundamental principle of Minnesota Monitoring to provide exceptional programs and services in the state of Minnesota and beyond. Our professionals understand the challenges faced by agents, employers, parents, and families. Consequently, we structure our programs and services to provide the most complete electronic monitoring services and substance abuse programs available, while allowing specific agents and agencies to dictate their exact needs and expectations for the supervision of their clientele.

Our goal is to not only meet your needs, but to continually exceed them.

## **NextGen Monitoring**

817 Vandalia Street

St. Paul, MN 55114

Phone: 612-900-4040

[www.nextgen-monitoring.com](http://www.nextgen-monitoring.com)

NextGen Monitoring is a provider of SCRAM System technologies and services throughout Minnesota. SCRAM System products are the best in the industry, evidence-based, and court accepted. NextGen provides customizable programs to support courts, probations departments, and law enforcement agencies across the state of Minnesota. Our services include continuous alcohol monitoring, electronic location monitoring (home detention and GPS), and remote breath testing. NextGen provides programs for pre-trial release, probation, alternatives to jail, family court, treatment, and volunteer participation. NextGen Monitoring and its agents are committed to providing the best service and support to our partners and clients.

NextGen Monitoring is owned and managed by a group experienced in the monitoring industry. The ownership group has developed and managed a successful ignition interlock network since the program's inception that includes service locations in four states. Additionally, our management group includes two criminal defense attorneys that have over 35 years of combined experience.

## **Nexus**

1111 28th St. NE

Austin, MN 55912

Phone: 507-434-4433

[www.nexus-yfs.org](http://www.nexus-yfs.org)

The Nexus treatment model delivers individualized cognitive behavioral therapy and a rich treatment culture to help troubled children and adolescents eliminate the problems that have become barriers to healthy emotions and behavior.

Our residential programs use individual, group, and family therapy to help youth focus on behavioral and emotional issues, improve social skills, and develop an improved sense of responsibility and caring for the needs and rights of others.

Our treatment teams include psychologists, psychiatrists, case managers, sexuality and family therapists, chemical health specialists, recreational and vocational counselors, and medical staff. The recidivism rate for youth who successfully complete a Nexus treatment program is well below the national average.

Aftercare services focus on continuing support, referrals to other treatment providers, specialized foster care, and in-home counseling services.

## **Prairie Lakes Youth Programs**

Box 894

Willmar, MN 56201

Phone: 320-231-1729

[www.prairielakes.net](http://www.prairielakes.net)

Prairie Lakes Youth Programs has juvenile facilities serving up to 86 boys and girls, 10 to 21 years of age, in Detention, Correctional Programming and Boys and Girls Group Home placements. Through a combination of cognitive based programming, mental health services and behavioral accountability, Prairie Lakes Youth Programs aims to give all young people the tools they need to live a better life. Lengths of stay are determined by the Courts, Referring Agent and the Program Director. We develop individualized placement plans tailored to each resident's needs. Prairie Lakes also provides Licensed Mental Health, Psychiatric and Psychological services on a weekly/monthly basis. Chemical Dependency treatment programming is also available in house and is provided on an outpatient basis in all programs. School is also provided by the Willmar School District year around.

To contact PLYP for information or to make a referral to any of programs please call 320-231-1729.

## **Precision Kiosk Technologies**

7320 Ohms Lane

Edina, MN 55439

Phone: 651-383-1211

[www.abkiosk.com](http://www.abkiosk.com)

The Automated Breathalyzer Kiosk (AB Kiosk) is a stand alone, autonomous alcohol screening system that can completely automate your sobriety testing programs and free up your jurisdictional staff for other duties. In addition to reducing the costs of your sobriety testing programs, the AB Kiosk system can also automate other judicial and law enforcement programs:

- Day reporting
- Probation check-in
- Huber work release
- Pre-trial services
- Guardian ad litem
- Rehabilitation

The AB Kiosk system consists of two highly integrated and secure components: An automated, stand-alone testing kiosk and a flexible easy-to-use offender-management software program.

## **RSI LABORATORIES**

1931 W. Broadway

Minneapolis, MN 55411

Phone: 612-287-1654

[www.rsilaboratories.org](http://www.rsilaboratories.org)

RSI LABORATORIES is a forensic toxicology laboratory accredited by the College of American Pathologists (C.A.P.)(F.U.D.T). RSI provides drugs of abuse testing and urine collection programs for corrections programs, treatment providers, employers, social service agencies and government entities.

RSI prides itself in offering personalized customer service, competitive prices and 24 hour results reporting. We have extensive knowledge of the specific drug testing needs of corrections and treatment based programs.

Our comprehensive menu of laboratory-based and rapid substance abuse testing options is designed to meet the needs of virtually any program.

We offer out of county testing at our St. Paul collections office. Clients who are on probation in counties outside of the Metro Area can test at our site with results sent directly to the agent.

## **Sourcewell (formerly NJPA)**

PO Box 219, 202 12th Street NE

Staples, MN 56479

Phone: 218-894-1930

[www.sourcewell-mn.gov](http://www.sourcewell-mn.gov)

Sourcewell is a self-supporting government organization, partnering with education, government, and nonprofits to boost student and community success. Created in 1978 as one of Minnesota's nine service cooperatives, we offer training and shared services to our central-Minnesota members. Throughout North America, we offer a cooperative purchasing program with over 200 awarded vendors on contract. Sourcewell is driven by service and the ability to strategically reinvest in member communities.

## **Volunteers of America/Bar-None Residential Treatment Services**

22426 St. Francis Blvd.

Anoka, MN 55303

Phone: 763-753-2500

[www.voamn.org](http://www.voamn.org)

VOA Bar-None Residential Treatment Services is located 45 minutes from the Minneapolis/St. Paul metro area and provides a variety of residential services for at-risk male youth, ages 12-18, who display severe emotional and behavioral problems.

## **Wellcome Manor Family Services**

114 W. Pleasant Street

Blue Earth, MN 56034

Phone: 507-546-3295

[www.wellcomemanor.org](http://www.wellcomemanor.org)

Whether suffering from alcohol abuse or drug addiction Wellcome Manor accepts clients with open arms, offering a peaceful setting on the road to recovery. Our flexible, inpatient residential drug and alcohol recovery program has been designed exclusively for women. For mothers of young children, we're happy to guide them through recovery with their child living by their sides. Women without children have their own space, providing an adult-only recovery atmosphere.
